NEW UPDATE

Rectory—As of 08/08/2022

Thomas asked me to send an update on the progress so far. The electrical rough-in is complete. Electrical will return after drywall to finish their work. The crew was able to remove the old stove, remove old kitchen flooring, determine a plan for minimizing the bump in the kitchen floor, and prepare the new doorway to the kitchen for drywall. After a few supply chain delays, the majority of the materials have arrived. Thomas and crew will work this week to address the plumbing, install the shower, address the bathroom subfloor issues, complete the kitchen subfloor, and other odds and ends to prepare for drywall to come in either the end of this week or start of next week. Drywall will be in and out as they sometimes need to let work dry before they can return to sand and finish. Once drywall is complete, the crew can go back in to finish the bathroom setups and to start the kitchen cabinet installation. The floor refinisher is holding some time for us to go in as soon as we finish the above steps.

We will keep you posted of our progress and any unexpected items we may encounter. Our subcontractor schedules are clearing up and we should be able to take significant steps this week and next week.—Kelly w/ Jones Construction via email

Please pray for our recently passed parish family members and their families.

*Mary "Peg" Indilla &
Roberto Michael Beltrami
Cynthia Mogenberg*

*Eternal rest grant unto them, O Lord,
and let Your perpetual light shine upon them.
May their souls and the souls of all the faithful departed
rest in peace.
Amen.*
