How to use one check for multiple contributions or collections.

In order to write one check to cover multiple collections:

1. Make your check out as usual.
2. Take the envelopes that the check is covering and write the amount you are giving for each of the collections on each of their envelopes.
3. Total all of the amounts from the envelopes and make the check out for the total amount.
4. Place the check in an envelope with the collection envelopes the check covers.
5. On the front of the outer envelope, write your name, envelope number, and the total amount of the check.
6. The counters know to process this as a “split check”

Rectory Update as of 09/19/2022

Hello!

We are almost there! While the major work will be done tomorrow, we will need probably 2-3 extra days for all the details like touch ups, caulking, appliances, and clean up.

The electricians installed lights and ceiling fans, the bathroom floors are done, trim work is going down, the painters are still painting away...there's a lot of trim! It's looking fresh and clean though. I love the paint color and can't wait to pull the paper off the floors for the whole picture!

I'll update you every day this week. You can for sure plan to let people walk through this weekend.

After finishing this week, we will schedule to return for the outside work after you have a chance to do all the moving in. I'd say around the week of October 10th. I will let you know for sure once we wrap up inside.

Thank you!

Kelly

Please pray for our recently passed parish family members and their families.

*Eternal rest grant unto them, O Lord,
and let Your perpetual light shine upon them.
May their souls and the souls of all the faithful departed
rest in peace.
Amen.*
