How to use one check for multiple contributions or collections.

In order to write one check to cover multiple collections:

- 1. Make your check out as usual.**
- 2. Take the envelopes that the check is covering and write the amount you are giving for each of the collections on each of their envelopes.**
- 3. Total all of the amounts from the envelopes and make the check out for the total amount.**
- 4. Place the check in an envelope with the collection envelopes the check covers.**
- 5. On the front of the outer envelope, write your name, envelope number, and the total amount of the check.**
- 6. The counters know to process this as a “split check”**

Rectory Update as of 09/26/2022

Hello!

We are so glad the parishioners were pleased with the results! Yes, we do have odds and ends to come back and complete as backordered items arrive. To cause the least amount of disruption to Father, we will try to schedule everything when the countertop comes in. We will check with the electrician to see when he can come in to address the fans. What we have on our list is:

- bathroom fan
- bathroom threshold
- warped kitchen cabinet door replacement
- small bathroom mirror
- ceiling fan in study (**Addressed**)
- countertop/disposal/faucet

Thank you!
Kelly
