How to use one check for multiple contributions or collections.

In order to write one check to cover multiple collections:

1. **Make your check out as usual.**
2. **Take the envelopes that the check is covering and write the amount you are giving for each of the collections on each of their envelopes.**
3. **Total all of the amounts from the envelopes and make the check out for the total amount.**
4. **Place the check in an envelope with the collection envelopes the check covers.**
5. **On the front of the outer envelope, write your name, envelope number, and the total amount of the check.**
6. **The counters know to process this as a “split check”**

Attention Eucharistic Ministers

Eucharistic Ministers, I am trying to set up ministers with homebound members of our parish. Fr. Mensah has a deep concern for the homebound, elderly, and sick.

I am sending a list of names of the members I know about and would like to know who, if anyone, is taking them Communion. Also, if there is someone on the list you can deliver to a person on the list please let me know. If you know of someone who needs to be added to the list, please let me know.

God bless you all for all that you do.

Mary McDaniel
